## TERMS AND CONDITIONS OF SALE

This list contains plants in which we specialize; they grow to perfection in our soil and climate. Our connections with the entire nursery trade enables us to supply nursery products not mentioned in this list at reasonable prices which we will gladly submit if desired.

Cash with order is requested unless satisfactory trade or bank references accompany the order. All bills are due net thirty days from date of invoice. Our prices are f.o.b. Huntington Station, Long Island Railroad—and are subject to change without notice. Packing will be charged at cost; no charges will be made for loading carload lots. We deliver by truck within a 50 mile radius of the Nursery—a nominal charge will be made for this service.

All prices are quoted per 10 except where the each price is noted.

## HOW TO REACH US

The Bagatelle Nursery can be reached from three stations, Huntington, Wyandanch and Babylon. We will be glad to call for visitors from either station if the hour of arrival is notified in advance. When travelling on the Jericho Turnpike turn South at the Dew Drop Inn (Jericho Turnpike and New York Avenue, Huntington, about 35 miles from New York) and follow the Bagatelle Nursery signs. The Nursery is located about four miles from the Turnpike. From the Merrick Road turn into Deer Park Avenue at Babylon, proceed to about two miles beyond the second railroad tracks where a sign "Bagatelle Nursery" will direct you further. Another way from New York is via the Long Island Motor Parkway. Turn left for nursery at our sign 4½ miles beyond the Huntington Toll Gate.
